

## Bring Smart Vending to Your Property

*Fresh snacks. Modern machines. Zero hassle.*

---

At Nexus Vending Solutions, we provide modern, cashless vending machines stocked with tailored snack and beverages.

### Why Property Managers Choose Nexus:

✓ **World-Class Customer Service**

Fast, responsive communication and white-glove care—every time.

✓ **Customized Product Selection**

We work with you to stock your machine with fresh, brand-name and healthy favorites that match your property's profile.

✓ **24-Hour Maintenance Guarantee**

If something goes wrong, we'll be there within 24 hours—guaranteed.

✓ **Free Installation & Maintenance**

No upfront costs, no long-term contracts. Just plug-and-play convenience.

✓ **Sleek, Modern Machines**

Cashless, contactless, and designed to fit seamlessly into any space.

✓ **Fully Insured, Permitted & SAM Registered**

We're ready to meet your compliance and building requirements.

### A Simple Way to Add Value!

Your tenants, visitors, and employees will thank you. Our vending services add comfort, convenience, and care.
